- 100% race-ready with FIA HTP valid till 31/12/2030
- Eligible for all pre-66 GT races

Description

We have the pleasure to offer this 1965 Jaguar E-type Fixed Head Coupe competition for sale.

This car was built in 2019 by renown Valley Motorsport Ltd for its prior owner as a pure race E-type with no expense spared. Particular attention was paid in making sure that all the proper, latest specification components were used in the build.

Finished in dark blue metallic, the monococque chassis is steel and the 3.8 litre engine is a thick wall block with cast iron wide-angle head which delivers 385 bhp. Gearbox and suspension are also latest state-of-the-art. This car was build to be a very competitive E-type by the best in the field.

Upon completion, the car was raced by the prior owner in the 2019 Spa Jaguar Challenge and the Castle Combe Jaguar Challenge where it finished 3rd overall. After some further suspension development, the car was sold at the end of 2020 to the current owner who only used it sparingly in 2 tests during 2021. As such, this E-Type FHC needs nothing and is 100% race-ready with all date-related items current and with an FIA HTP valid till the end of 2030.

This is an excellent opportunity to acquire a stunning and winning competition Jaguar E-type which is eligible for all pre-66 GT races such as Peter Auto's Sixties, Masters' Gentlemen Drivers, Historic Jaguar Challenge, etc..
